

(2) Airport Maintenance Worker I (full-time)

MINIMUM REQUIREMENTS: Valley International Airport is seeking an individual to fill a position in its Maintenance Department. An employee in this class performs semi-skilled to skilled manual work in construction, maintenance, landscaping, and service activities. May also perform duties in a lead worker role and operate light to heavy motorized equipment. The successful applicant will perform advanced laboring tasks that require skills or specialized knowledge acquired through training or work experience. Experience in general labor work, experience operating assigned equipment, and sufficient education to read and write are required. Employee may be required to work weekends, occasional overtime, and be available for callbacks. The Successful applicant must pass a security background investigation, physical, and agility test, and an alcohol and drug screening test. Employment background checks and personal references will be conducted. Starting pay rate: \$14.52, including a benefit package. Position shall remain open until filled.

Applications may be obtained and returned: Valley International Airport, Third Floor, Harlingen, TX 78550. Mon - Thurs from 8 AM - 5 PM and Fri from 8 AM - 12 PM and 1 PM - 5 PM. Email directly to: Celina P. Garza / celina@flythevalley.com or visit our website: www.flythevalley.com for an electronic job application, or by fax: 956/430-8619. Please be advised that we do not notify applicants if they were not selected for the position.
